

What is included

The fee for the Resura[®] Prenatal Test covers the entire three-step testing process, which includes prenatal testing for the disease variant(s) of interest along with aneuploidy screening for one pregnancy.

When payment is required

Prior to "Step 3: Prenatal Testing," payment must be submitted to Progenity. Our Financial Services team will contact you by phone to discuss payment information.

Payment options

The cost of the Resura test is \$2,800. Payment can be made in a single, up-front payment, or you may elect an interest-free payment plan for up to 36 months. Payment is accepted by credit card or check.

Refund policy

As with all laboratory tests, there is a small chance of a test failure. In the rare event that our laboratory is unable to produce results, you will be given two options:

1. Repeat the test at no additional charge. Additional sample collection will be necessary.
2. Cancel the testing process and receive a refund. Refunds will be processed within 48 hours to the credit card or bank provided.
